# Your Pathway to Deakin University

Deakin College programs can provide an entry point into the first or second year of your bachelor's degree.

## Located in Central Jakarta

Jakarta has a variety of attractions from tourism to the culinary side.

## Supportive learning environment

You can choose to study face-to-face or online at Deakin College. We provide free study support as well as online resources to assist with study and writing skills, assignment preparation and examination techniques. Everything is designed to help you transition smoothly to Deakin University degrees.

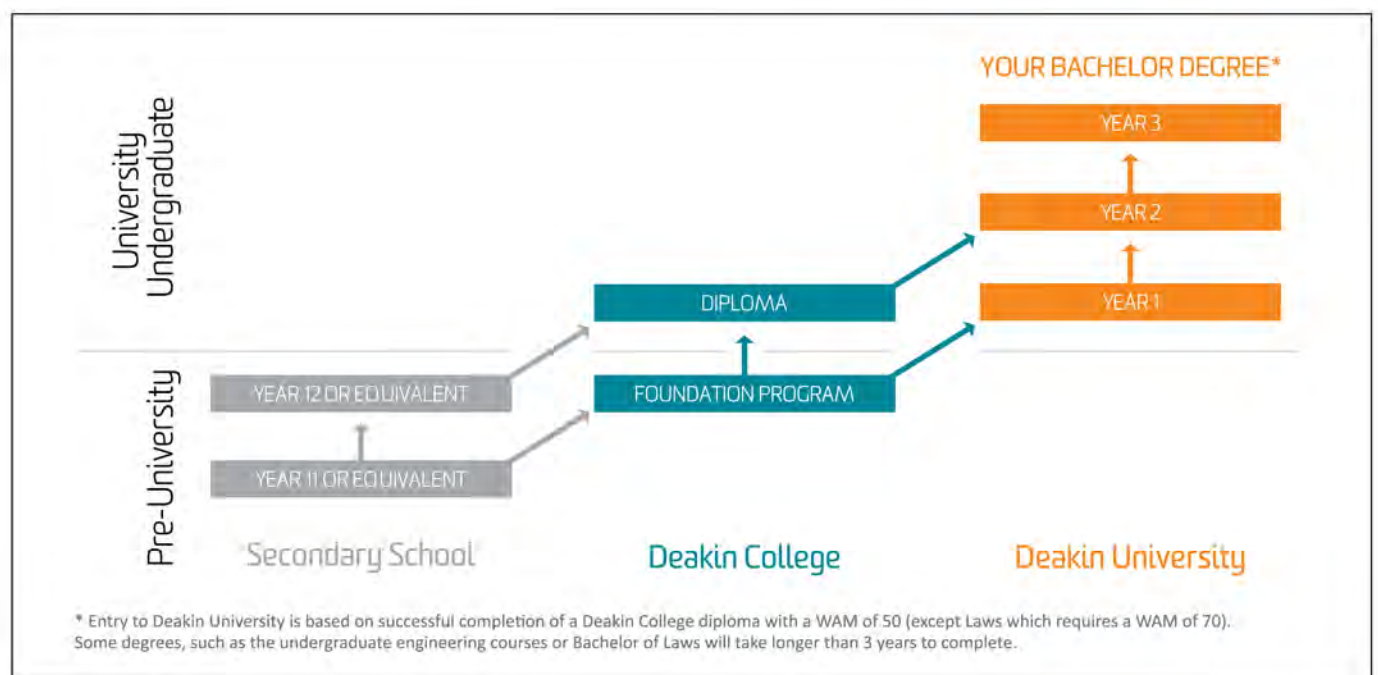

## Fast-track options

Deakin College diploma courses offer a fast-track option, allowing you to complete a program in just eight months. This makes it possible to enter university much earlier than students studying in a conventional pathway program.

## Small class and tutorial groups

Small class sizes are one of the benefits of studying at Deakin College. With a maximum of 18 students per class, complemented by small group tutorials and workshops, you will receive intensive academic contact and support.
